Scott Eastman had .....	1

**For Delegate to the Constitutional Convention**

Scott F. Eastman had .....	267
Scattering .....	22

In open meeting all were declared elected by the Moderator, with the exception of the Treasurer, and took the oath of office.

Before the Town Warrant, the floor was given to Mrs. David Eaton who expressed thanks to the town for the kindnesses rendered Mr. and Mrs. Eaton at the time of the illness of their son.

1. To choose all necessary Town Officers for the year ensuing.

2. Recommendation of Finance Committee was amount of \$18,700. Franklin Flanders reported. This figure was about \$200. over last year's appropriation. The selectmen and finance committee worked diligently regarding this article and were able to make some definite deductions in several categories. In order to conform with State law they had to install in Town Hall emergency lighting system in case present lighting system failed. This and small extra items offset savings and it was necessary to ask for the total appropriation of \$18,700. Harold V. Flanders made the motion that we raise this stated amount, it was seconded, and the vote was in the affirmative. No further discussion.

3. Woodrow Wilson nominated Scott F. Eastman for Trustee of the Trust Funds for 3 years. Franklin

Flanders said in view of the fact that there was only one nomination why couldn't one ballot only be cast and thus save time? This was put to a vote, and it was a vote in the affirmative. Mr. Farmer cast one ballot and Mr. Eastman was declared elected.

4. Dorris Eaton was nominated and nomination seconded. Mr. Legge moved, and it was seconded that the Clerk cast one ballot for Mrs. Eaton. This was done and the vote being in the affirmative, Mrs. Eaton was elected Trustee of the Library for three wears.

5. Mr. Legge made the motion that the matter of uncollected taxes be left in the hands of the Selectmen. Motion was seconded, and the vote was in the affirmative.

6. Dorothy Leavitt made the motion that the Town allow a discount on taxes. Motion seconded and the vote was in the affirmative. No discussion.

7. Mr. Legge moved that the Selectmen and the Town Treasurer be authorized to hire money at any rate of interest they might have to pay on behalf of the Town in anticipation of taxes, etc. Also to issue the necessary notes required in the names of the town. Motion was seconded and it was a vote in the affirmative. No discussion.

8. Mr. Farmer reported that the finance committee recommended the figure of \$18,000. Harold V. Flanders made the motion that we raise the sum of \$20,000, the extra \$2,000. to be earmarked for the use on the bad roads. Mr. Legge seconded the motion. Mr. Farmer reported that the Finance Committee thought the sum of \$18,000. would suffice even though consideration had been given the situation of Weare roads. Mr. Phelps asked the Finance Committee for the additional \$2,000. Mr. Merrill asked if gravelled roads were to be taken care of with TRA money. Woodrow Wilson reported that under the TRA set up, a definite project—such as that on Sugar Holl—had to be undertaken in coordination with the State Engineers. Merrill said a man in town had a letter stating otherwise. Mr. Wilson said that the State had not given them that impression. Mr. Merrill expressed the opinion that the \$18,000. plus

amount of aid given by State that some of Weare's roads could be taken care of much better than they had been.

Mr. Phelps said people just didn't realize that the work done on roads in wintertime did not make any impression on the roads, that the plowing just keeps the roads open. He said if majority of people could get around and see condition of roads and how they are breaking up, they'd understand why additional money was necessary. After lengthy discussion, it was finally a vote in the affirmative that we raise the sum of \$18,000. plus the \$2,000.—a total of \$20,000.

9. Wilfred Lahey reported that the recommendation of the Finance Committee was to raise the sum of \$1,410.87. There was lengthy discussion in regards to this article. Several voters from various parts of the town discussed the road situation in regards to their own needs, and each one wanted their particular section of the town repaired before any others were. George Gunn had a strong feeling that that section of the town should have road repair done.

Mr. Perrigo discussed the road work being done on the Sugar Hill project. He said it was his opinion that the wisest move would be to finish that road before any other projects were started inasmuch as they were so far along, bushes having been cut already, the road widened in many parts. He asked the road agent what the cost would be to finish up there, and Mr. Phelps reported that there was tiling along the road that had to be installed and culverts put in, that they would have to finish the widening of the road, make ditches, haul gravel, etc., and he estimated the figure of \$3,000.

The moderator said that it was his opinion that, in order to clear the records, that before any action taken, article 26 of last year would have to be rescinded.

Mr. Phelps said that the State Engineers were not going to put up with jumping around from one place to another—that one project had to be completed before another one was started.

Mrs. Gunn said years ago when they started black roads, they went from here to there and everywhere and they finished one black road to connect with an-

other. She said it was understood that Hopkinton was going to put in the black road to connect with Weare.

The moderator voiced the opinion that the State would put it where it wants to before giving the money.

It was finally moved and seconded to rescind Article No. 26 of last year. Vote was in the affirmative and the article was rescinded.

Mr. Perrigo made the motion that the road be finished to Hopkinton Town Line before they moved to another section of Town. Motion was seconded. Mr. Gunn asked for a rising vote. The vote in favor of this motion was so overwhelming (82) that no vote for the opposition was taken. Vote in affirmative.

Mr. Gunn said some places on his road were such that, unless they are fixed, he is going to the State Commission. No further discussion.

10. Franklin Flanders reported that the Finance Committee recommended the sum of \$100. to have membership in the Merrimack Valley Region Association. They felt that this is about the only amount of money that the town spends for advertising. Mr. Legge made a motion that we go along with the recommendation of the Finance Committee and raise the \$100. Motion seconded and it was a vote in the affirmative.

11. Albert Farmer reported that the recommendation of the Finance Committee was the sum of \$4,000. There was a lengthy discussion of this article. Mr. Hight reported that we had an increase of from 40-50% in fires in the town during the past year than in previous years. He said there is no way to figure accurately what the fire department will cost the town for a certain period as you cannot tell about the number of fires there will be which would mean the price of labor for each one, also. Also, the expense and maintenance of the equipment should be considered and that an average over a period of years would have to be taken—the number of fires we've had and the number we can expect. Other costs of fire fighting besides payroll is the lighting and heating, fire alarm systems which were installed in the South and East Weare fire houses. The additional money over last year is to be used for in-

stalling different heating systems in the South Weare and East Weare stations.

At present, they have old oil burning heaters and they were not considered safe. He emphasized the fact that there is no insurance coverage whatever either on any of the buildings or the fire equipment. Also, in order to keep the buildings from freezing, it has been necessary to burn a lot more oil this year because of the extremely cold weather.

Mr. Merrill questioned the fact that if other towns could operate their fire department on smaller amounts of money, why couldn't Weare? Mr. Hight asked what other town has three separate fire stations that they have to maintain, and what other town has 4 fire trucks?

After further discussion, it was made a motion by Wilfred Lahey that we raise the sum of \$4,000. for the fire department. Motion seconded, and it was a vote in the affirmative.

12. Arthur Chase reported that the recommendation of the Finance Committee was \$200. to raise for the care of water holes and dams. Motion was made and seconded to raise \$200., and it was a vote in the affirmative. No discussion.

13. Franklin Flanders reported that the Finance Committee recommended the sum of \$200. He reported that Mr. Peaslee, one of the directors of the hospital, gave a report of the workings of the hospital. It is a non-profit institution and gives the maximum amount of service for lowest possible cost. Their records showed a total deficit of \$39,000, and they were asking the Town of Weare  $\frac{1}{2}$  of 1% of \$33,000. which represented its (Weare's) share of people that had gone to the Concord hospital and were unable to pay their bills.

This article caused a lengthy discussion. Marjorie Eaton said she did not see why people had to go to Concord when they could go to Grasmere and get equally as good care.

Wendell Colburn said the townspeople were cared for at other times and he guessed they would get care at a hospital when they needed it. Wendell Colburn said

he would like to see this article voted down. Mr. Legge said he didn't see why we did not pay our share towards the hospital, that the town had to take care of the folks who had nothing to eat, so why not the hospital bill?

Mr. Perrigo reported that last year there were 30 people from Weare (a total sum of \$450.) that did not pay their hospital bill in the Concord hospital.

Many voiced the opinion that if the people that needed to have hospital care would choose doctors that had Grasmere as their hospital, there would be no need for patients to go to Concord, thus eliminating the need to raise money for said hospital.

Harold V. Flanders said he thought it was a small amount for the Town to have to pay. It was moved and seconded that we raise the sum of \$200. Mr. Eastman asked for a rising vote. Results were: In favor, 32; opposed, 75. Motion was lost.

It was moved and seconded that Article 13 be dismissed and that it not be included in the 1957 Town Warrant unless there were 10 voters' signatures on petition for same. Vote in the affirmative.

14. Mr. Perrigo reported that the Finance Committee recommended the sum of \$300. Woodrow Wilson made the motion, and it was supported that the sum of \$300. be raised and appropriated for the care of neglected cemeteries. Vote in the affirmative.

15. Arthur Chase reported that the Finance Committee's recommendation was \$300. Mr. Farmer said why not include the amount needed for Memorial Day at the same time as whatever is left over from Memorial Day goes to Band Concerts. Mr. Davis said he put in a lot of time trying to keep the band going and it's up to the people of the town whether they want to continue a band or not. Motion made and seconded that \$300. be raised for the band. Vote in the affirmative.

16. Recommendation of the Finance Committee was \$250. Motion made and seconded the sum of \$250. be raised and appropriated for the Weare Library. Vote in the affirmative.

17. Wilfred Lahey reported that the Finance Committee recommended the sum of \$200. Mr. Adams made the motion that we raise the sum suggested by the Finance Committee. Motion seconded and it was a vote in the affirmative.

Article 18. Mr. Perrigo reported that the recommendation of the Finance Committee was \$200. Gordon Traver spoke at length in regards to Chase Recreational Park and said it was his opinion that the Park should be a paying proposition and that a charge during the week and on the weekends should be made. A discussion followed as to what prices should be charged and what holidays should have the charges enforced. It was concensus of opinion that the Weare people were not getting the full benefit of such a recreation spot—that outsiders seemed to be taking it over.

Mr. Mahan said that the people that own boats and like to water ski should be able to come to the shore without endangering the children. Mr. Hight said that that would come under one of the duties of the committee and that they had a lot of things that had to be ironed out in the operating of the facilities of the Park. Possible charges for entrance to the Park were discussed. One was that the price of 35 cents per person for non-residents of Weare be charged, and that the townspeople and their special guests would be able to obtain a seasonal ticket for the sum of \$1.00. This would be in force on Saturdays and Sundays and at other times at the discretion of the Chase Recreational Park Committee.

Mr. Traver said if the rate program did not work out that it would be profitable for Weare to do as the Town of Bradford did and that the Park would be for the use of the townspeople and their guests only.

After further lengthy discussion, it was made a motion and seconded that the Selectmen, and this included the Park committee, be given full authority to make or set the prices to be charged at the Park and whatever other action is necessary to make the Park a better place and to give Weare folk the opportunity to enjoy one of its assets rather than having outsiders take over.

Mr. Traver made a motion, and it was seconded that

the sum of \$200. be raised for Chase Recreational Park. Vote in the affirmative.

19. Arthur Chase reported that the Finance Committee recommended the sum of \$250. to be raised for Civil Defense. Motion made and seconded that we accept the recommendation of the Finance Committee and raise the \$250. for the purpose stated. Vote in the affirmative.

20. Mr. Todd reported that the recommendation of the Finance Committee was \$25. He requested Woodrow Wilson to read a letter that pertained to this article. Mr. Adams made a motion that we raise the sum of \$25. Motion seconded and it was a vote in the affirmative.

21. Mr. Farmer made a motion that we dismiss this article from the Warrant. Carroll Carter asked him why he wanted this done. Mr. Farmer replied that at one time the town could have had the Tax Commission make appraisals without cost but it was not voted to have it done, and that now if it were done, it would cost about \$4,000. He also said that once the Commission values property that is it and nothing can be done about their figures. He also gave an example of how the Commission goes about setting valuations—this one example was in his own home—and he said he found it to be way out of reason. After further discussion, the motion was made and seconded, that this article be dismissed. Vote in the affirmative.

There being no further business, the meeting was adjourned at 4:55 p. m.

MINNIE T. PEASLEE,  
Town Clerk.

Assisted by Olive G. Reade.

## SPECIAL TOWN MEETING WARRANT

---

Warrant of the Town of Weare, Hillsborough County, the State of New Hampshire, for a Special Meeting to be held at the Town Hall in said Weare on August 24, at 8:30 P. M. in the evening.

Notice is hereby published to the inhabitants of the Town of Weare qualified to vote in town affairs that a special meeting, by order of the Hillsborough County Superior Court, will be held at the Town Hall in Weare Center on August 24, at eight-thirty o'clock in the evening, for the purpose of voting upon the following questions:

Article 1. To see what corrective action the Town will take to eliminate surface sewage at the area south of the Weare Fire House, north of Moody Pond, east of Route 114, and west of the School District Property.

Art. 2. To determine what sum of money the town will raise and appropriate to defray all charges necessary to correct the condition described in Article 1.

Art. 3. To see if the Town will direct the Selectmen to borrow the money appropriated under Article 2 for a period of time in accordance with the Municipal Finance Act.

SAMUEL D. CHASE,  
VERNON R. WOOD,  
ELTON R. FRENCH,

Selectmen of the Town of Weare.

A true copy of Warrant—Attest:

SAMUEL D. CHASE,  
VERNON R. WOOD,  
ELTON R. FRENCH,

Selectmen of the Town of Weare.

A special meeting of the Town of Weare was held at the Town Hall in Weare Center on August 24, 1956.

The meeting was called to order by the Moderator, Scott F. Eastman at 8:55 p. m. He opened the meeting by reading a copy of the notice of the special town meeting being held which was published in the Manchester-Union Leader on August 13, 1956, together with attested copies being posted at two public places in the town, one at the Town Hall in Weare Center and one in the U. S. Post Office at North Weare.

Article 1 was taken first under consideration. Samuel Chase spoke of what action the town could take to eliminate stagnant water South of the Weare Fire House; North of Moody Pond; East of Route 114 and West of the School property. He wondered if the town could bear half the expense and the school bear half the expense of such action.

Mr. Evans made the following motion:

"I move that the Town take action at once to eliminate the stagnant surface water in the so-called swamp area by putting in such gravel and tile drains as may be necessary to get proper drainage, and that consideration and decision of the action to be taken on the remaining sanitation problem be postponed to another date to be fixed as the adjourned date of this special meeting."

The motion was seconded by George Nichols.

Mr. Evans reported that the engineering services that the town had requested had sent him a report of their findings, and that he had received them at 5:45 on the date of the special meeting, and that the Water Pollution Board and the Health Department were insisting that something be done regarding this matter and that if action was not taken, it was his opinion that a formal order would be issued in a short while.

Mr. Hight spoke at length of the conditions surrounding the Weare Center properties and that around Moody Pond, stating the fact that several of the poultry men had had hens for years in that area and that no situation such as this had arisen because of the fact. In his opinion, Mt. William Pond is contaminated. He said the town has sore spots that must be cleaned up. He

spoke to show that, at one time, there was even a piggery around the area but even that did not bring about the condition that now exists.

Mr. Hight also raised the question as to whether or not the septic tanks in the schools were adequate?

He said he also knew that when Moody Pond fills up, there is water in Mrs. Morgan's cellar, and that it was a nuisance to whomever owned that property. He said that such a condition could not be righted merely by putting sand and gravel there, and after awhile, the same condition will exist. He thinks we will have to go further and start up to the brook on the bridge and start "house-cleaning" there. He also said it was his thought that, if the townspeople have septic tanks and are complying with the law, they are doing what they are supposed to do. If they do this, he doesn't think anyone can do anything to them.

Mr. Slack spoke of the present condition and said such never existed until recently. He also pointed out that there had never been so many children enrolled in the school before and he feels that the schools have positively contaminated the area.

Samuel Chase spoke and said all waste is going into the swamp—the town house, etc., and that's what makes it bad. He said a representative of the Water Pollution Board said that the condition was gravely serious and an engineer had been hired to look over the problem and that it was his suggestion that we take action—that the swamp area certainly was contaminated.

Mr. Nichols said that the Board of Health had stated that the individual septic tanks did not do much of anything unless they were cleaned and pumped out periodically—at least once in every two years, and that raw sewerage must be abolished.

Mr. Gunn said if gravel is carted in to build up the lower end, where is there to be a stopping place—and what about expense?

Mr. Evans said the plan suggested by the engineer would cost in the neighborhood of \$13,000., and that whatever is decided to be done, must be done with the consent and approval of the Health Department and

the Water Pollution Board. In any event, we must get rid of the stagnant water in places which can be done by lowering the boards temporarily, and he said that an investigation must be made to see just what can be done.

George Gunn requested Mr. Evans to read the map which he had in his possession. This Mr. Evans did—to the best of his ability—but he said such a reading would mean little to the people unless they were able to view the map.

Mr. Hight talked at length of Gordon Tiffany's method of sewage—his septic tank empties under grass and there is some element that takes care of overflow of septic tank. Mr. Tiffany also spoke of his own method and told of its satisfaction.

Mr. Nichols said he thought the plan of the engineer consisted of a large septic tank South of the fire station bringing into this the elementary drain, telephone office drain, Mrs. Sawyers' drain, sewage system starting somewhere in the vicinity of Town Hall, going down through, picking up fire house drain going into septic tank, it then goes into two other drains and from these goes through filter bed approximately 100 x 100 about 18" deep. It was the recommendation of Water Pollution and Board of Health to place in this position.

Mr. Hight said he would like to see samples taken of pond and brook and down below dam and all through that area to see if we could not get at the source of the trouble.

George Sawyer said he would like to know what the cost of the proposition is going to do—cost of gravel, pipe, etc.

George Nichols said he thought the people present at meeting should examine the survey map that Mr. Evans had received.

Mr. Perrigo related that at the Finance meeting, it was stated that if action wasn't taken immediately about the swamp, Mrs. Morgan would take matters into her own hands.

Mr. Ineson reported that Mrs. Morgan might file lawsuit unless the situation was in hands in the immediate future.

Doris Hadley spoke for Mrs. Morgan who was not present at the meeting. She said Mrs. Morgan was not threatening a lawsuit merely to make trouble but it was because she thought the present conditions were a health menace and that if not taken care of, it would most likely cause and spread disease. She wanted to protect the children that would soon be starting school.

Mr. Tiffany said Mrs. Morgan came to talk over the affair with him and that it was her hope that it could be settled amicably and that she had been faced with this problem since April and that nothing had been done as yet to rectify it.

It was thought that temporary action taken before the start of school would cost in the vicinity of \$3,000. The motion previously made by Mr. Evans was seconded and it was a vote in the affirmative and so declared by the Moderator.

Article II. That the town raise and appropriate the sum of \$3,000. to pay the cost of putting gravel and tile drains in the so-called swamp area to eliminate stagnant surface water and secure proper drainage.

Mr. Nichols made the above a motion and it was seconded by Mr. Farmer. It was a vote in the affirmative and so declared by the Moderator.

Article III. Instead of raising the money appropriated in Article 2 by immediate taxation it was moved that the town direct the Selectmen to borrow the money appropriated under Article 2 for a period of time not to exceed three years in accordance with the provisions of the Municipal Finance Act, by the issuance of bonds or notes in the name of the Town; and that the Selectmen be authorized to determine the time and place of payments, the rate of interest on said bonds or notes and to do whatever is deemed necessary to the issuance thereof.

The above was made a motion and it was seconded, and it was a vote in the affirmative and so declared.

Mr. Evans moved and Mr. Perrigo seconded the motion that a committee be appointed consisting of the chairman of the Board of Selectmen, Chairman of the School Board, George Nichols and any other person or

persons that the three of them shall choose, to study the report of the Water Pollution Board and the Sanitary engineer to determine what should be done to finally clear up this situation; that they report their findings on the adjourned date of this meeting which shall be held at the Town Hall on Thursday evening, September 27, 1956, at 8:30 p. m. It was a vote in the affirmative and so declared.

There being no further discussion, Mr. Evans made the motion that the meeting be postponed. It was a vote in the affirmative and the meeting adjourned at 10:20 p. m.

MINNIE T. PEASLEE,  
Town Clerk.

Assisted by Olive G. Reade.

---

### ADJOURNED "SPECIAL TOWN MEETING"

The Meeting was called to order by the Moderator Scott F. Eastman at 8:30 P. M.

Selectman Samuel D. Chase reported that the project for which the meeting was called, had been completed as far as possible at the present time. 3600 yards of gravel had been put into the swamp—which was much more than was estimated but the Selectmen had been able to keep within the appropriation.

It was moved by Mrs. Hazel Gunn—seconded by Mrs. Morgan that the committee continue to investigate the situation and that the Selectmen be requested to put these articles in the warrant of the Town Meeting to be held in March 1957.

Motion carried.

Moved by Wendell and duly seconded that this meeting be adjourned.

Meeting adjourned at 9:05 P. M.

ELSIE PURINGTON acting as Clerk,  
MINNIE T. PEASLEE, Clerk.

## TOWN WARRANT

---

To the Inhabitants of the Town of Weare in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall, Weare Center, in said Weare, on Tuesday, the twelfth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(c) Town Officers salaries.

(b) Town Officers expenses.

(c) Election and registration expenses.

(d) Expenses town hall and other buildings.

(e) Blister Rust control.

(f) Insurance

(p) Town well and ditch pump.

(q) Damages and legal expenses.

(r) Social Security.

3. To choose by separate ballot, one Trustee of the Trust Funds for three years.

4. To choose by separate ballot, one Trustee of the Library for three years.

5. To make provision for collecting of taxes.
6. To see if the Town will vote to allow discount on taxes.
7. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on behalf of the Town in anticipation of taxes, said loans to be payable from taxes for the year 1957; and to issue notes therefor, in the name of the Town, at such rate of interest and payable at such time and place within one year as the Selectmen may decide.
8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of highways and bridges, and take any other vote in relation thereto.
9. To see if the Town will vote to raise and appropriate the sum of \$1,407.05 to be used with the sum of \$9,380.36 to be furnished by the State, for Class IV and Class V construction, Reconstruction or Betterment Aid.
10. To see if the Town will vote to raise and appropriate the sum of \$100.00 to have membership in the Merrimack Valley Region Association.
11. To see what sum of money the Town will vote to raise and appropriate for the Weare Police Department.
12. To see what sum of money the Town will vote to raise and appropriate for the Weare Volunteer Fire Department.
13. To see what sum of money the Town will vote to raise and appropriate for the care of water holes.
14. To see what sum of money the Town will vote to raise and appropriate for the care of neglected cemeteries.
15. To see what sum of money the Town will vote to raise and appropriate for Band Concerts.
16. To see what sum of money the Town will vote to raise and appropriate for the Weare Library.

17. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

18. To see if the Town will vote to raise and appropriate the sum of \$400.00, to be used in co-operation with State and Federal funds, for control of White Pine Blister Rust within the confines of the Town.

19. To see what action the Town will take in regard to eliminating the sewerage problem south of the Fire House, and raise and appropriate a sum of money for the same, and take any other vote in relation thereto.

20. To see if the Town will vote to accept the sum of \$385.00 from the Weare Grange, to be used to re-decorate the inside of the Town Hall, and raise and appropriate a like amount of \$385.00 to be used for the same purpose, and take any other vote in relation thereto.

21. To see if the Town will vote to raise and appropriate the sum of \$291.00 for the support of the Concord Hospital. (By petition).

22. To see if the Town will vote to buy the Weare Center School House and land, also the field directly in back of school, and raise and appropriate a sum of money to purchase said land and building, and take any vote in relation thereto.

23. To see if the Town will vote to raise and appropriate a sum of money, to install a new roof on the Paige Memorial Library.

24. To see if the Town will vote to have the parking lot and driveway at the North Weare Federated Church, plowed after heavy snow storms.

25. To see if the Town will authorize the Board of Selectmen to appoint a committee consisting of one or more of their own members, and not less than five citizens of the town, to study the effect of the Hopkinton-Everett flood control project on the town of Weare, and further, that such committee be appointed within one month and directed to report its findings and recom-

mendations to the next regular or special town meeting called for that purpose.

26. To see if the Town will vote to have the drive-ways and yards plowed out after snow storms. The expense to be paid by the owners. (By petition).

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and fifty-seven.

SAMUEL D. CHASE,  
VERNON R. WOOD,  
ELTON R. FRENCH,  
Selectmen of Weare.

A true copy of Warrant — Attest:

SAMUEL D. CHASE,  
VERNON R. WOOD,  
ELTON R. FRENCH,  
Selectmen of Weare.

## REPORT OF CHIEF OF POLICE

---

To the Honorable Board of Selectmen and the Citizens of Weare:

Following is the annual report of the Police Department for the year ending December 31, 1956.

The Department has answered 209 complaints requiring police attention as well as innumerable complaints that were settled without police action.

Assault .....	6
Larceny .....	10
Drunkenness .....	17
Vagrancy .....	3
Trespassing .....	1
Using vehicle without authority .....	3
Driving vehicle while under influence ....	6
Disturbing the peace .....	5
Defective equipment tags .....	18
Driving to endanger .....	3
Leaving scene of accident .....	1
Allowing improper person to operate ...	2
Malicious mischief .....	10
Operating without license .....	3
Brawls .....	9
Through stop signs .....	55
Refusing to stop for police officer .....	3
Speeding .....	10
Accidents .....	28
Fatals .....	1
Special events .....	21
Sickness, courtesy of road asked .....	1
Court appearances .....	27
Superior court .....	1
Doors found open made secure .....	7
Registrations suspended .....	22
Live wires guarded .....	3
Emergency messages delivered .....	6
Lost and missing persons, hunters, etc. located .....	7
Motor vehicle violations to registry .....	57
Parking violations .....	9
Stray cats and dogs cared for .....	3

Hit and run, property damage .....	1
Summons served for other departments .	7
Messages delivered for other departments	21
Juvenile delinquency .....	15
Yellow line violations .....	16
Commitments State Hospital .....	1
Dogs disposed of .....	2
Dogs killing deer .....	1
Dogs killing hens .....	3
Breaking and entering .....	10
Investigations to conduct .....	19
Hospital cases .....	9
Civil defense alert .....	2

We have had an increase of accidents during the past year, some very serious and one fatal. The weather and driving conditions, of course, are in part a contributing factor. In the summer our Lake Horace is drawing more and more people to enjoy it, also the week end traffic in turn brings more problems to us.

To the residents of our Town, I would like to point out that the present Police Department is 100% call men, and that no personnel are on duty except week ends, or special occasions. For the most efficient response by the department, call the telephone operator who in turn will activate the Police Department by calling the respective officers in the part of Town where help is wanted.

Our officers, as well as officers from Goffstown, New Boston and Henniker, through the cooperation of the N. H. State Police, have participated in a Police School conducted every Thursday evening.

Again with pleasure we donate our time to organizations within the town conducting activities.

We wish to extend our appreciation to the various local organizations, N. H. State Police, Manchester Police, Weare Fire Department and Ladies Auxiliary to the Fire Department for without the cooperation of the Citizens of Weare, and the aforementioned units, we could not have attained the success we have this past year.

Respectfully submitted,

CHESTER LOWE,  
Chief of Police.

## REPORT OF CIVIL DEFENSE DIRECTOR

---

The Observation Post went on a standby basis this past summer after very nearly four years of twenty-four hour around the clock duty. It was made possible through the effort of a very few citizens who served a great many hours on the Post. Some who started on July 14, 1952 stuck to it till the end.

I want to thank those who served many or few hours, they all helped in a good cause. It served a purpose, for if we have to do it again, which I do hope we do not, we will have a lot of trained observers. I also want to thank Mrs. Tenney for the long hours and sacrifices which were many indeed. If it had not been for Mrs. Tenney I can safely say the Post would not have been on as long as it was. The people of town should feel grateful to have such a person in their midst.

Thanks to all who helped, also for the cooperation we received from everybody during the test alerts we have had in the past.

VERNON R. WOOD,  
Local Director.

## REPORT OF FOREST FIRE WARDEN

---

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

W. HANNAFORD,  
District Fire Chief.

---

### Your Town Dump

Use it freely

Care for it

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden — the law requires it.  
The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning.  
Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty

**Use your dump freely                      Help Keep it safe**

Number of acres burned, 3.

, WINTHROP HANNAFORD,  
District Fire Chief.

WILDER TENNEY,  
Forest Fire Warden.

## ANNUAL REPORT OF THE WEARE VOLUNTEER FIRE DEPARTMENT

---

During the year of 1956 the department answered 35 alarms: Nine of these were for fires involving some part of buildings; 15 were chimney fires; 1 was a brush fire burning part of a sticking field of dry lumber; 3 fires were in cars or trucks; three were electric motors on appliances in homes; 1 oil burner overflow; 1 rubbish or dump fire; 1 overheated furnace setting fire to cartons near a register and 1 call for a car reported to be burning.

Six of the nine building fires were caused by defective or improperly operated furnaces, stoves, funnels and chimneys. In most cases these building fires were discovered in the early stages and quickly extinguished. Considerable loss and damage accompanies even these small fires as well as the inconvenience to the property owners involved.

We read almost every day of people being burned in their homes. Most of these fatal fires start in the same manner and from the same causes as the fires we have in our own town. If a fire starts when the occupants of a home are asleep any fire may cause fatalities. The sleepers do not waken 'till too late, if at all. There are several types of very reliable alarm systems that may be installed in the house, garage, barn, etc. Several of these so called "heads" or detectors can be installed at places where fires are most liable to start; such as above the furnace, stoves, in attics near the chimney, over the car in the barn, in your workshop or where different types of appliances are installed. These can be connected to a bell or horn to let you or your neighbors know quickly that something is wrong.

Such systems have been installed in the Fire Stations, Town Hall, Grader House, etc. and a great protector to these building which are unoccupied most of the time. Have one of these systems installed in your house. A fire discovered when it first starts is usually easily extinguished and seldom causes fatalities.

The brush fire was in a lumber sticking yard. A good stop was made saving a portion of the lumber and the

mill. Very little spread into the woods. The tank trucks were used to shuttle water into the area to knock down the intense fire resulting from the burning lumber.

Eight members of the department attended the training school at Fitzwilliam this year. Training on actual fires in buildings, life-saving practices, first-aid, and equipment operation was received. The regular monthly meetings were well attended. Drills and practice sessions were held by all companies.

During the year new equipment was added. Boots, coats, 400 ft. of  $1\frac{1}{2}$  inch hose were purchased. A new water tank was installed on Engine one.

The automatic oil burning furnaces installed at South and East Weare stations are doing an excellent job of heating these stations and are safer and more economical than the stoves they replaced. The temperature can be controlled and they operate only when the heat is needed.

The alarm system was improved by the addition of electric valves and remote controls so that the air horns can be blown from places other than the fire stations.

The Grammar and High School buildings were inspected by the Deputy Fire Marshal. Some minor fire hazards were found which should be remedied. It was recommended that additional alarm gongs and operating switches be installed in both schools.

The department wishes to thank all who have assisted in our work the past year.

You can be of great assistance if you will refrain from using your telephone for 10 to 15 minutes after you hear the fire alarm or hear the trucks go to a fire. The operator and the lines are busy during this period, calling out firemen who have to be called by telephone.

Respectfully submitted,

GERALD H. HIGHT, Chief,  
Weare Volunteer Fire Dept.

This report is approved by the Board of Fire Wards of Weare:

GERALD H. HIGHT, Chief,  
WILDER D. TENNEY,  
NORMAN E. CHASE,  
THOMAS J. EASTMAN,  
CHESTER LOWE.

## THE STATE NEW HAMPSHIRE

---

SCHOOL WARRANT FOR 1956

To the Inhabitants of the School District in the Town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district upon the 8th day of March, 1956, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what sum of money the district will vote to raise and appropriate as a deficiency appropriation for the school year 1955-56, such deficiency necessitated by unforeseen expenditures.

10. To see if the District will authorize the School Board to sell the Center School Building to the Philbrick-Clement Post No. 65, American Legion.

11. To see if the School District will vote to adopt a plan for extending to employees of the School District the benefits of title II of the Federal Social Security Act (Old Age and Survivor's Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapters 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$100.00 to defray the school district's share of the cost thereof.

12. To see if the School District wishes to exclude from the plan services in any class or positions filled by popular election.

13. To see if the School District wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

14. If a plan for Social Security coverage is adopted, to see if the School District will authorize the School Board to execute on behalf of the School District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the School District will designate the Superintendent of Schools as the officer to be responsible for the administration of the plan.

15. To see if the district will vote to accept the services of a helping teacher for Supervisory Union No. 19, in accordance with R.S.A. Chapter 189, Sections 44 and 4, as amended by Chapter 338, Laws of 1955, and to share in the salary and travel with the other districts

in the Union for that portion of salary and travel in excess of the \$2,500 to be received annually from the State Treasurer.

16. To see if the district will vote to reappropriate the balance of the construction notes of 1955 to apply toward the expenses of the well project of the Central School.

17. To transact any other business that may legally come before said meeting.

RAYMOND L. ROGERS,  
LLOYD WOOD, JR.  
HOWARD L. INESON,  
School Board of Weare.

A true copy of warrant — Attest:

RAYMOND L. ROGERS,  
LLOYD WOOD, JR.  
HOWARD L. INESON,  
School Board of Weare.

## RECORD OF SCHOOL MEETING, MARCH 8, 1956

---

The meeting was called to order at 8:00 P. M. and proceeded to the transaction of business as follows:

The warrant was read by the Moderator.

Article 1. Scott F. Eastman was nominated for Moderator. There being no further nominations, it was moved that the clerk cast one ballot for Scott F. Eastman, which was done and the said Scott F. Eastman was declared elected and in open meeting took the oath of office prescribed by law.

Article 2. Elsie Purington was nominated for clerk. There being no further nominations it was moved that the moderator cast one ballot for Elsie Purington which was done and the said Elsie Purington was declared elected and in open meeting took the oath of office prescribed by law.

Article 3. Raymond L. Rogers was nominated as a member of the School Board for the ensuing three years. There being no further nominations it was moved that the clerk cast one ballot for Raymond L. Rogers which was done and the said Raymond L. Rogers was declared elected and in open meeting took the oath of office prescribed by law.

Article 4. Samuel D. Chase was nominated for Treasurer. There being no further nominations it was moved that the clerk cast one ballot for Samuel D. Chase which was done and the said Samuel D. Chase was declared elected.

Article 5. It was moved by Wendell Colburn and duly seconded that the salaries of School District Officials remain the same, with the exception of the Auditors, whose salaries should be raised to four dollars. The motion carried.

Article 6. Gordon A. Russell reported for the Building Committee calling the attention of the meeting to the reports printed in the Town Report. It was moved by Albert S. Farmer and duly seconded that the meet-

ing give this committee a rising vote of thanks. The motion carried.

Article 7. It was moved by Wendell Colburn and duly seconded that the Town Auditors audit the books of the School District. The motion carried.

Article 8. It was moved by Vernon Wood and seconded by Bernard Phelps, Jr. that the district raise and appropriate the sum of \$102,147.42 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. After much discussion the motion carried.

Article 9. It was moved by Wendell Colburn and duly seconded that the article be dismissed. The motion carried.

Article 10. It was moved by Albert S. Farmer and duly seconded that this article be dismissed. The motion carried.

Article 11. It was moved by Charles Todd and duly seconded, that the school district adopt the plan for extending to employees of the School District the benefits of Title II of the Federal Social Security Act (Old Age and Survivors Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by chapters 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$100.00 to defray the School District's share of the cost thereof. The motion carried.

Article 12. It was moved by Charles Todd and duly seconded that the School District exclude from the plan services in any class or classes of positions filled by popular election. The motion carried.

Article 13. It was moved by Vernon Wood and duly seconded that the School District exclude from the plan

services in any class or classes of positions the compensation for which is on a fee basis. The motion carried.

Article 14. It was moved by Wendell Colburn and duly seconded that the School District authorize the School Board to execute on behalf of the School District the necessary agreement with the State of New Hampshire to carry into effect the plan and designate the Superintendent of Schools as the officer to be responsible for the administration of the plan. The motion carried.

Article 15. It was moved by Vernon Wood and duly seconded that the district accept the services of a helping teacher for Supervisory Union Number 19, in accordance with R.S.A. Chapter 189, Sections 44 and 47, as amended by Chapter 338, Laws of 1955, and to share in the salary and travel with the other districts in the Union for that portion of salary and travel in excess of the \$2,500.00 to be received annually from the State Treasurer. The motion carried.

Article 16. It was moved by Lyhl Perrigo and duly seconded that the District reappropriate the balance of the construction notes of 1955 to apply toward the expenses of the well project of the Central School. There was much discussion. The motion carried.

Article 17. The meeting was reminded by Mr. Rogers of the B. Alfred Dumm Fund established at the School Meeting of 1955. It was moved by Albert S. Farmer that the project of soliciting funds for the same be adopted and the junior member of the School Board be authorized to carry it out to the best of his ability. The motion carried.

It was moved by Wendell Colburn that the School Board be responsible for keeping the grounds around the Center School clean as proposed by Mr. Bernard Gunn. The motion carried.

Mr. Rogers wished to convey to Mr. Vernon Wood and Mr. George Nichols the thanks and appreciation of this meeting for the splendid job they did in keeping well within the appropriations for the addition to the Central School.

There being no further business it was moved by Gordon A. Russell that the meeting be adjourned. The meeting adjourned at 9:15 P. M.

ELSIE PURINGTON,  
Clerk of the District.

**WARRANT FOR SPECIAL MEETING  
AUGUST 24, 1956**

Notice is hereby published to the inhabitants of the School District of Weare, qualified to vote in School District affairs, that a special meeting, by order of the Hillsborough County Superior Court, will be held at the Town Hall in Weare Center on August 24 at seven o'clock in the evening, for the purpose of voting upon the following questions.

Article 1. To see what corrective action the School District will take to eliminate surface sewage at the south of the Weare Fire House, north of Moody pond, east of Route 114, and west of School District property.

Article 2. To see what corrective action the School District will take to furnish an adequate and pure supply of water for the use of the School District and for the use of a private property owner whose water supply has been contaminated by the School District sewage.

Article 3. To determine what sum of money the School District will raise and appropriate to defray all charges necessary under articles 1 and 2.

Article 4. To see if the School District will direct the School Board to borrow the money appropriated under article 3 for a period of time in accordance with the Municipal Finance Act.

LLOYD N. WOOD, JR.,  
HOWARD L. INESON,  
RAYMOND L. ROGERS,  
School Board of Weare.

**RECORD OF SPECIAL MEETING AUGUST 24, 1956**

---

The meeting was called to order by the moderator 7:30 P. M.

The warrant was read by the Moderator Scott F. Eastman.

Article 1. It was moved by Raymond Rogers and duly seconded that article 1 be deferred for the time being. The motion carried.

Article 2. It was moved by Albert S. Farmer, seconded by Lyhl Perrigo, that the School District approve the action taken by the members of the School Board and the Selectmen in arranging for and providing a new water supply for the use of the School District and for Mrs. Morgan; and that the School Board be authorized to convey the new well and the well site to Mrs. Moorgan reserving to the district the right to use the surplus water; and that the district authorize the Board to execute the deed necessary to accomplish this purpose, as well as any other papers relating to rights of way and other matters related thereto. There was much discussion during which opposition to deeding the well site to Mrs. Morgan was brought up. There was no opposition to giving domestic water rights to her. After being assured by Mr. Gordon Tiffany that it was the proper legal thing to do, the District voted in the affirmative.

Article 3. It was moved by Gordon Traver, seconded by George M. Slack, that the sum of \$5,000 be raised and appropriated to defray all charges necessary under article 2. The motion carried.

Article 4. It was moved by George Sawyer, seconded by Gordon A. Russell, that the School District authorize the School Board to raise the money appropriated under article 3 by bonds not to exceed 5 years. This motion was amended to read, that instead of raising the money appropriated under Article 3 by direct taxation, the School District directs the School Board to borrow the money for a period of time not to exceed 5 years, in accordance with the provisions of the Munici-

pal Finance Act, by the issuance of bonds or notes in the name of the District; and that the School Board be authorized to determine the times and places of payment, the rate of interest on said bonds or notes, and to do whatever may be necessary to the issuance thereof. The motion was carried unanimously.

It was moved by Raymond Rogers that this meeting be suspended in favor of the Town meeting scheduled for 8:30 P. M. The meeting was suspended at 9:00 P. M.

The meeting reconvened at 10:20 P. M. It was moved by Raymond Rogers and duly seconded that this meeting be adjourned until Thursday, September 27th at the same time and place (7:00 o'clock in the evening at the Town Hall). The motion carried and the meeting adjourned at 10:22 P. M.

---

## RECORD OF ADJOURNED MEETING SEPTEMBER 27, 1956

---

The meeting was called to order by the Moderator at 8:25 P. M.

It was moved by Samuel D. Chase that the meeting be recessed until after the Town Meeting scheduled for 8:30 P. M. The motion carried and the meeting was suspended at 8:30 P. M.

The meeting reconvened at 9:05.

It was moved by George Nichols and duly seconded that the School Board be requested to insert the articles relating to the sewerage in the annual School Warrant for 1957. The motion carried.

It was moved and supported that the meeting be adjourned. The motion carried and the meeting adjourned at 9:15.

ELSIE PURINGTON,  
Clerk of the District.

## THE STATE OF NEW HAMPSHIRE

---

SCHOOL WARRANT FOR 1957

To the Inhabitants of the School District in the Town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district upon the 7th day of March, 1957, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officers, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what sum of money the district will vote to raise and appropriate as a deficiency appropriation for use in the fiscal year 1956-57.

10. To see if the district will vote to appropriate any funds received from tuition for so-called state wards toward payment of general expenses of the school year 1956-57.

11. To see if the district will vote to reappropriate the unused balance of the notes authorized at the special district meeting on August 24, 1956 to the general funds of the district.

12. To see what corrective action the School District will take to eliminate surface sewage south of the Weare Fire House and north of Moody Pond, and to determine what sum of money the district will vote to raise and appropriate for that purpose. (Voted at the Special Meeting of August 24, 1956 that such article be inserted in the March, 1957 warrant.)

13. To see if the School District will direct the School Board to borrow the money appropriated under Article 12 for a period of time in accordance with the Municipal Finance Act.

14. To transact any other business that may legally come before said meeting.

HOWARD L. INESON,  
RAYMOND I. ROGERS,  
CHARLES CHAGRASULIS,  
School Board of Weare.

A true copy of warrant — Attest:

HOWARD L. INESON,  
RAYMOND L. ROGERS,  
CHARLES CHAGRASULIS,  
School Board of Weare.

### CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is complete to the best of my knowledge and belief. The accounts are kept in accordance with Section 24 of Chapter 82 of the Revised Laws of New Hampshire 1942, and upon forms prescribed by the State Tax Commission.

LEWIS F. FOOTE,  
Superintendent.

LLOYD WOOD, JR.,  
RAYMOND L. ROGERS, Jr.,  
HOWARD INESON,  
School Board.

July 25, 1956.

### AUDITORS' CERTIFICATE

---

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the school district of Weare of which the above is a true summary for the fiscal year ending June 30, 1956 and find them correct in all respects.

C. D. EASTMAN,  
ALBERT S. FARMER,  
LYHL PERRIGO,  
Auditors.

July 25, 1956.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Citizens of Weare:

I hereby submit my annual report as superintendent of the schools of Weare.

### Personnel

The opening of school in September found several changes in our high school staff. Mr. Elphege Roy replaced Mr. Robert Crowley as instructor in Mathematics and Science, Miss Carol Tilden replaced Miss Marion Kennedy who had completed the year for Mrs. McCarthy, the latter having asked to be released the prior January. There were no changes in our elementary staff.

During the current year Mr. Clifford Purington, who had served as janitor at the High School, retired after some thirty years of faithful service to the School District of Weare. His duties and those of Mr. Burnham Davis at the Central School, were taken over by Mr. Lloyd Wood, Sr.

### Enrollment

The current enrollment in our schools continues to gradually increase. This fall we had some 340 pupils in our schools, — 244 at the Central School and 95 (including 32 in grade 8) in the High School Building. A year ago the total enrollment was approximately 330.

With a graduating class of but eight in the present Senior Class in the High School, and the probability of from 30 to 40 youngsters to enter our first grade, our enrollment of next September should approach 360 pupils. All indications are that the above situation will continue for the next few years with a probability of some 400 pupils in the fall of 1950.

Our problem in the High School is not alone one of total number of pupils, but also one of an increase in the number of class groups. Some years ago it was possible to conduct combinations of classes, — for example United States History to Juniors and Seniors

every other year. Such combinations are not possible as the size of our grades increase, and it has been necessary the past few years, and will continue in the future, to force the teaching of most subjects every year rather than on alternate years.

### **1957 Warrant**

In addition to the customary articles concerned with the election of officers and consideration of the budget as submitted by the School Board, the warrant contains several so-called special articles.

At the special meeting called last August to consider the problem of sewage, the Board was instructed to carry in the March 1957 Warrant an article or articles to provide for possible action which might be considered advisable at the annual meeting.

An article is also included to appropriate any funds received from the tuition of state wards to the general fund. As the legislation adopted by the 1955 Session of the General Court was rather involved, it is not possible to determine at this time, our accounts payable and receivable from this source. It appears that there will not be any significant balance available for general use, but it is proper that we legalize the use of such funds as may be unexpended from such tuition.

An article is also included to transfer any unused portion of the bonds authorized at the August 1956 Special Meeting to the General Fund. The probable application of this balance and the balance from state ward tuitions will reduce the amount for deficiency funds to \$2,000 at this time.

### **The 1957-58 Budget**

The base budget proposed by the School Board is some \$5,500 greater than the current budget, but since the proposed special articles are some \$4,500 less, the net income is but \$900. On the income side we anticipate an increase of some \$9,800 in State Aid (if the legislation now before the General Court is adopted), making a considerable reduction in the tax levy. A definite figure can not be ascertained until the close of the legislature in early summer.

The principal increase in expenditures is for increases in teachers' salaries and an additional \$1,000 for payment of bonds due during the fiscal year.

As we are to receive a greater amount of State Aid for the next school year, it might be the proper time to include a contingency item in our proposed budget. As mentioned in my report last year, it is difficult to frame a true and adequate budget covering a period from six to eighteen months ahead. Unforeseen expenses always arise, and a deficiency is consequently always with us. If we were to include an item of \$2,000 as a contingency item, we undoubtedly would be able to balance our budget on June 30th.

Respectfully submitted,

LEWIS F. FOOTE,  
Superintendent of Schools.

## WEARE ANNUAL SCHOOL HEALTH REPORT

September 1955 — June 1956

I am submitting my fifth annual report of the Health Services given in the Weare Schools for the period of 1955-1956.

During this time Dr. Albert Snay of Goffstown examined all children in Grades one, four, seven, ten and all pupils going out for competitive sports.

Notices were sent to all parents of the children who had any condition which deviated from the normal.

All pupils were weighed, measured, and given a vision and hearing test.

115 children received the Patch Test.

Notices Sent		Received Care	
Vision	13	Vision	25
Hearing	3	Hearing	2
Scalp	1	Scalp	1
Posture	1	Posture	1
Tonsils	22	Tonsils	13
Glands	1	Gland	1
Heart	2	Heart	2
Ears	2	Ears	1
Speech	3	Speech	3
Teeth	45	Teeth	100

Reported Communicable Diseases			
Measles	165	Chicken Pox	36
Impetigo	6	Scabies	1
Ringworm	1	Pediculosis	7

In October 187 children received their first inoculation of Salk vaccine, and 35 received their second.

This past fall another Polio Clinic was held. At this time time, second, and third inoculations were given.

Two children had eye examinations and one received glasses through sight conservation.

The P. T. A. sponsored a most successful dental program.

Fifteen children received complete dental corrections.

Registration was held in April with 27 of our incoming first graders present.

Two children were seen at the Orthopedic Clinic.

90 home visits were made during the year and 70 first aids given.

A course in Home Care of the Sick was given to 22 of the Freshmen and Sophomore girls.

I wish to express my thanks to the Superintendent, Parents, Teachers, and School Board for their cooperation.

Respectfully submitted,

BEATRICE BOCKUS, R. N.

## 1956 REPORT OF N. H. STATE DEPARTMENT OF BUREAU OF PUBLIC HEALTH NURSING

---

Salk Vaccine clinics were held at the school during the past year. This was given to children from 6 months through 19 years of age and Pre-natals.

Clinics held .....	3
Attendance .....	628
Infants .....	15
Pre-school .....	127
School .....	463
Pre-natals .....	6
Others .....	17
<hr style="width: 20%; margin-left: 0;"/>	
Total .....	628

A Health Education program has been emphasized on all home visits throughout the year.

I would like to take this opportunity to thank Dr. Backus. The School Department, Mrs. Bockus, P.T.A., Women's Club, Mrs. Flanders and committee. This service would not have been possible without the parents and friends who have cooperated so generously with the work of the Public Health Nurse.

It has been a pleasure to work with you.

Respectfully submitted,

HAZEL W. SOMES, R. N.
